

SCHOLA

Schola is a FREE digital platform revolutionising career guidance, guiding students through the school-to-career transition.

01

OUR MISSION

SCHOLA

**Helping The Next Generation of Malaysians
Discover Their Place in the World!**

02

OUR APPROACH

You can't be what you don't know.

WE BELIEVE

Everyone has talent and potential, but
not everyone has the same access to opportunities.

03

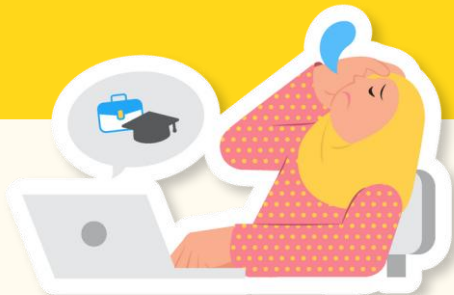

Why did we create Schola?

From our study with over 1000 students...

Many students have an ambition,
BUT...

80%

**lack essential knowledge about their
chosen careers.**

70%

**don't actively
research career
options**

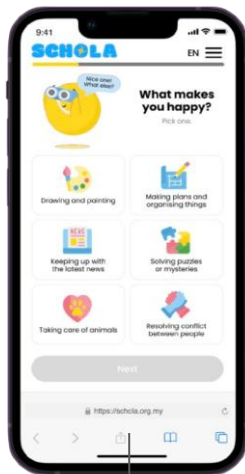

Most students only
start seriously
considering post-SPM
pathways

AFTER SPM

04 FEATURE 1: SCHOLA CAREER QUIZ

Confused about your ambitions?
Get your career personality and suitable career recommendations!

Simple and intuitive quiz format

Career personality card

Customized job matching

Behind the Scenes 🧐

Our quiz is developed based on RIASEC, i.e., Holland Codes

05 FEATURE 2: SUBJECT-TO-JOB MATCH

Got a favourite subject? Check out related careers!

Combine up to 2 subjects and explore careers based on your unique combination, **from familiar jobs to careers you may never have known existed.**

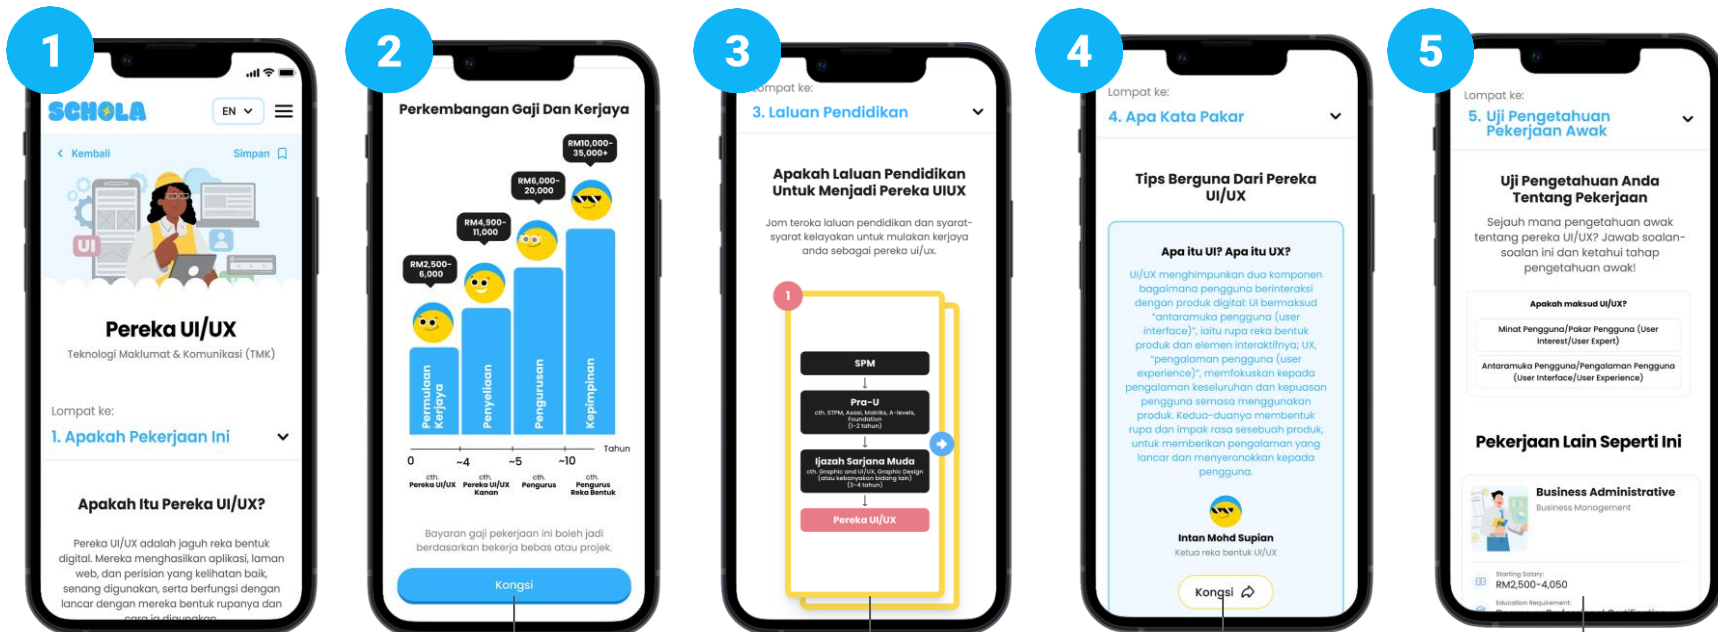

Behind the Scenes 🎬

The tool was developed based on the results of a study with students.
